

Put the Chanukah story in order

The small Jewish army won against the huge Greek army. A miracle!

It was enough for one day, but the menorah burned for eight days!

The Greeks ruled Eretz Yisroel and tried to stop the Jews from keeping the Torah.

They found just one small jug of pure oil, sealed by the Kohen Gadol.

Mattisyahu and his sons, led by Yehudah HaMaccabi, stayed loyal to Hashem.

They came back to the Beis HaMikdash and cleaned it.
